There is a special joy in giving, and sometimes the best thing about
making a gift in the kindness that it
inspires in others.

At Adventist Rehabilitation Hospital of Marylan,
our joy comes from
serving our patients. We feel
privileged to be a part of patients’ recoveries. We strive
to provide our patients with support,
structure and encouragement – leading the way back
to life. Simple things like a smile, a hug, a caring
shoulder, an encouraging word, can lift the spirits of
our patients and create a ripple effect which helps
them overcome and reach the momentous on
their roads to recovery.

You, too, are an important part of our caring team. Our
staff at Adventist Rehabilitation Hospital is a very special
group. When you express your appreciation to our staff by making a gift to
our Grateful Patient Program, the examples of
your kindness are profound and far-reaching.
Your gift helps us to continue to provide the
best rehabilitative care for you, your friends and family, as well as others in the community.
Your gift helps us to change lives.

Every day as we work with our patients, their
day-to-day triumphs (both large and small) are our joy.
We hope that you will join us in our mission of
giving the very best in rehabilitative care.
Together, we will continue our goal of
helping our patients to reach the next milestone on
their road to recovery.
